

Junior Public Safety Camp June 26-30, 2017

Do you have a teenager who's looking for a summer activity? An activity that exposes them to some of the most exciting and fulfilling careers out there today? If so, the Junior Public Safety Day Camp may be exactly what they need! The Junior Public Safety Day Camp provides both class instruction, and practical hands-on training in the following public safety fields:

- Firefighting**
- Emergency Medical Services**
- Law Enforcement**
- 9-1-1 Operations/Communication**

This week long camp will cover these topics with instruction and guidance from members of today's Chester County Emergency Services who are all willing to share real-life experiences with the next generation of Chester County Heroes.

Chester County Public Safety Training Campus
Course Tuition: \$50 – Registration Required
